

OUR PRIORITY

Christian and Marlise Ricker, as professional retriever breeders, uphold two primary commitments:

Priority One: To enhance the breed by ensuring the dam and sire of each litter undergo comprehensive health testing, to produce intelligent, healthy retrievers.

Priority Two: To ensure our puppies are placed in homes that will love and care for the pup properly its entire life.

OUR GUARANTEE

Your puppy will come with a 27-month genetic hip and elbow guarantee, dewclaws removed, de-worming, up-to-date shots, vet examined, microchipped, and AKC Full Registration.

PUPPY DEPOSITS

A deposit is required to secure your position in the picking order for the litter you have selected. Puppies are chosen based on their sex and color. If the number of puppies in the litter is less than your position in the picking order, you have two options:

Waiting List: You can choose to be placed on a waiting list for the next available litter that meets your preferences.

Refund: You can opt to have your deposit fully refunded.

PUPPY PICKING ORDER

The order in which puppies are chosen is determined by the sequence in which we receive deposits along with the completed contract for your specific litter.
